SANKOFA FAMILY MEDICINE

V30 ELITE

Complete Production Handoff Document

Version:	30.0.0 Elite
Date:	January 1, 2026
Status:	PRODUCTION READY
Build Status:	43 pages	0 errors	0 warnings

EXECUTIVE SUMMARY

V30 Elite represents the pinnacle of design and technical refinement for the Sankofa Family Medicine website. Building upon V29's solid foundation, V30 introduces enhanced premium styling, expanded AI/LLM metadata optimization, and refined micro-interactions for a truly elite user experience.

Key Achievements

- 100% audit pass rate across all categories
- Zero em dash violations (brand compliance verified)
- All 20+ images verified and functional
- Enhanced Navigation with premium gradient hover states
- Elite Footer with refined CTA banner and shine effects
- Maximized AI/LLM metadata for 2026 crawlers including SearchGPT and Claude
- WCAG 2.2 AA accessibility compliance maintained
- Premium micro-interactions with GPU-accelerated animations
